## ADULT DAY HABILITATION PROGRAM

The Adult Day Habilitation Program offers an environment that maximizes the individual's capability of developing a lifestyle of productivity, education, leisure, and empowerment.

The program offers a full in-house program of continued academics, self-care, physical fitness, vocational training, domestics, social, and leisure time activities to address the identified needs of the individuals.

Like any school, this program focuses on education and training. Due to the COVID-19 pandemic, we are currently focusing on health, hygiene, and specific protocols. Post-Covid, we will reintroduce community inclusion, including work and volunteer opportunities for individuals.
